Dear Parent

Thank you for choosing to send your child to one of the King David Schools.

These schools lie at the heart of the Johannesburg the Jewish community and have made an immense contribution to the success of the community over time. Key to sustaining this is to ensure that the King David Schools are excellent in every respect and offer the highest quality education possible. Over the past five years well over R100m has been invested in the development of the school infrastructure – this is part of an ongoing process of investments in the facilities and academic and other offerings. A child joining the Schools becomes the beneficiary of these assets and as such a once-off joining fee is applicable for all new children. The fees payable upon applying to any King David School are as follows:

PRE PRIMARY/GRADE R

Any application for a child to attend any of the King David pre-schools (Linksfield, Victory Park, Minnie Bersohn, Waverley), must be accompanied by a **non-refundable R2500** deposit. **This deposit will be deducted from the first month's fees** for that child. If the family chooses to withdraw their application such deposit will be forfeited.

GRADE 1/ PRIMARY SCHOOL / SANDTON GRADE R

Upon joining or applying for any King David Grade 1 or other primary school grade or to King David Sandton Grade R as of the 1st July 2014 the application form will have to be accompanied with a R2500 joining fee. Such fee is a once-off payment to secure a place for your child and will be allocated to the capital endowment account for the long-term benefit of the Schools.

HIGH SCHOOL

A R3500 joining fee will be required in respect of any applications for students joining King David for the first time in grades 8 to 12. Such fee is a once-off payment to secure a place for your child and will be allocated to the capital endowment account for the benefit of the Schools.

- Such fee is only applicable for students who have not previously been through a King David primary school
- Furthermore if the joining fee was paid in the primary school it is not applicable in the high school

Should you choose to enroll at multiple schools, please note that deposit/application fee will be forfeited for any applications not taken up.

Should you have any queries with regard to the above, please do not hesitate to contact the finance department on 011 480 4700.

Thank you for your support
