Dear Parent

Thank you for choosing King David Schools. We look forward to welcoming you warmly into our King David community.

King David Schools have been at the heart of the Johannesburg Jewish community for over 75 years and have made an immense contribution to its success over that time. Key to sustaining this, is to ensure that the King David Schools are excellent in every respect and offer the highest quality education. Over the past seven years, well over R100m has been invested in our schools. This is part of an ongoing process of investment in infrastructure, facilities, academics and other offerings. A child joining King David becomes the beneficiary of these assets and as such, **a once-off joining fee is applicable for all new children joining.**

Applications to any of the King David Schools must be accompanied by a **non-refundable joining fee** corresponding to the specific grade that you are applying for. The fee structure is as follows:

- Play School – Senior Group: R3300
- Grade R – Grade 7: R5300
- Grade 8 – Matric: R7100

This non-refundable fee is only payable once, when joining King David Schools for the first time and does not have to be paid again when moving from pre-primary to primary, or from primary to high school.

A deposit would have been paid for students who joined in pre-primary school between 2020 and 2023. This deposit would have been credited to school fees in the first term which means that this joining fee is applicable when entering Grade 1.

If an application is withdrawn, the joining fee will be forfeited.

Should you have any queries regarding the above, please do not hesitate to contact the finance department on 011 480 4700.

Thank you for your support.
